DETAILED ACTION

Allowable Subject Matter

1. Claims 23, 25, 31, 33, and 34 are allowed.
2. The following is an examiner's statement of reasons for allowance: the amendment to the claims has overcome the rejections under 35 U.S.C. 112, second paragraph set forth in the previous action dated 24 June 2004, and all the above-recited claims have been amended to incorporate subject matter that was deemed allowable in the previous action. Therefore the above-recited claims are considered allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
